EAF Duxford 26! – Entry Pack - Get Inspired, Get Involved

 7th June 2026 |  Duxford Imperial War Museum |  Tickets: £20 per person (first come, first served)

The EAF's brand-new event designed to bring our photographic community closer together — the **EAF Duxford 26**, taking place at the iconic Duxford Imperial War Museum! **And here's the details.**

This exciting day is all about connection, creativity and collaboration, and we're inviting photographers from across the region to come together, share images and celebrate the art of photography.

Whether you are part of a well-established club or a smaller group just finding your feet, this is your chance to get involved, be inspired and explore this new EAF initiative. We hope you support our efforts.

What's in store:

Photography Competition – '6 from 6' – Open to smaller EAF clubs only.

This friendly competition is open to clubs with 35 members or fewer (Registered 2025) who have not entered the **EAF** Interclub Print or PDI Championships in the past five years. It's a great way for smaller clubs to get involved without the pressure of full-scale competition.

If your club is eligible for entry into the '6 from 6' competition (see appendix A) then we will need your entry confirmation AND payment for any tickets you require by 30th January 2026.

Please remember someone from your club will need to bring (and take home) the two physical print entries on the day of the event.

Tickets are £20 per person, representing excellent value for this EAF event, AND entry into Duxford Museum while the competition is judged.

Tickets are strictly limited, due to the Auditorium capacity, and priority will be given to those clubs who enter the '6 from 6' competition.

General tickets will be open to all EAF members from 14th February 2026.

Payments should be made to EAF, Sort code 30-99-50, Account number 61188660. Please reference your club's name and 'Duxford 26'. Please submit the entry form in Appendix A via email to: andy.gutteridge@tiscali.co.uk

The Competition format is "6 from 6" — that's six images from six different photographers — any subject

- 2 prints — unmounted if you prefer, size A4 to A3
- 2 digital images — 1600 x 1200, JPEGs — SRGB colour space
- 2 mobile phone photos — (pdi) must be taken with a phone — any phone

Entry details will be via the EAF's on-line entry system. Details will be circulated to clubs entering and will be based on the standard competition rules detailed on the EAF website.

But don't worry about letting your side down — no scores will be given out on the day. Instead, each entry will receive friendly, constructive critique from some of the EAF's top A-Panel judges.

It's all about learning, growing, and enjoying the experience.

Duxford Museum Access + Bonus Competition — Open to MEMBERS OF ALL CLUBS

While the judges review and mark the images in private, delegates will have access to photograph in and around the incredible Duxford Imperial War Museum. With its iconic aircraft, powerful exhibits, and atmospheric hangars, it's a photographer's dream location.

Even better — images taken during the day can be submitted to a bonus competition, with the chance to win tickets to a major Duxford event later in the year. Whether you shoot aviation, architecture, or detail shots, it's a fantastic opportunity to showcase your eye and creativity.

Full entry details will be announced on the morning of the event. Winners announced post event.

This competition is available to all EAF members attending 'Duxford 26'.

Critique Session + Awards - Open to MEMBERS OF ALL CLUBS

We'll wrap up the day with a relaxed and supportive critique session of selected images from the '6 from 6' competition, that's open to all event attendees. Our experienced judges will share their thoughts on selected images, offering valuable insights and tips to help you grow as a photographer.

Finally, the winning club will be announced, and their full '6 from 6' portfolio will be showcased. Our friendly judges will talk through each image and explain why this set stood out — a brilliant chance to learn what makes a truly impactful photographic series.

Tickets are just £20. Excellent value for a full day of inspiration, learning and photography

Doors open at 9:00 am, with tea and biscuits to welcome you. Private Judging begins at 10:30 am while delegates have the chance to photograph around the museum until 2:30 pm. There's plenty of time to enjoy lunch at one of the museum's eateries or bring a packed lunch if you prefer. The critique session starts in the auditorium at 2:30 pm, with awards closing the day at 5:00 pm.

Join us for a day of creativity, connection, and community with the EAF!
